Annual 4-H Club Rally In Elba On Friday, March 21

Approximately 1,400 boys and girls are expected to assemble at the City Athletic Field in Elba, Friday, March 21, for the annual rally of 4-H Clubs. Bonnie Lois Pritchett of Pine Level Club will direct the program, which will begin at 9:30 a.m. and be concluded shortly after the one o'clock lunch hour.

Features of the program will include group singing and athletic contests in which boys will compete with boys and girls with girls. No individual will enter more than one contest but all will participate in the program. A parade has been planned.

The rally will be in charge of H. C. Arant and Miss Fannie Kelley, 4-H agents, and Miss Mable B. Mathews, home agent.

Friday, March 14, W. A. Ruffin of the extension service will meet with club leaders from the school clubs and all official agricultural workers in the county for a lesson in gardening.

The Supplementary Cotton Program, which requires the growing and storing of food and feed crops, will be stressed at this meeting. The hour for assembling is 1:30 p.m.

EIGHT 4-H CLUBS ESTABLISH FORESTRY DEMONSTRATIONS

Wide awake 4-H clubsters of eight clubs of Coffee County have established plantings of slash pine trees on the school campus where their clubs are located. These plantings will serve as demonstration of the value of trees in preventing erosion and their value as a cash crop. Club members of the future and farmers will be able to see for themselves how the farm woodlot should be managed as each club will protect its plantings from fire by the use of fire lines. When the trees are of sufficient size, the clubsters will prune them and do the necessary thinning. Records of their growth and the rate of growth will be accurate and kept for study.

The fact that trees are going to play an ever increasing important role on Coffee County farms in the future is recognized by agricultural leaders. The principals of schools in which the clubs doing this work are located were more than glad to cooperate in planning these demonstrations and in getting the trees planted.

A demonstration of properly spacing and setting pine seedlings was held at each club by Mr. Arant. The club members, under the supervision of the local leaders, then completed the setting of the trees. The size of the plantings of pines vary from one-fourth acre to one acre each.

Club plantings were at Eanon, New Hope, Victoria, Zion Chapel, Bluff Springs, Goodman, Damascus and Basin.

Judge and Mrs. C. C. Brannen. They were visitors to Elba Monday.

FARM BUREAU CAMPAIGN FOR MEMBERS LAUNCHED

In this issue of The Clipper will be found a whole page story in the interest of the Coffee County Farm Bureau and its campaign for new members. The advertisement is paid for by local business men and friends of farmers.

The advertisement tells what the Farm Bureau program is and a few of the reasons why every farmer in the county should be a member. Turn to this page right now and read it. If you are a farmer see Mr. Burton Grimes at once and give him your membership to the organization. It will be worth many times the small fee for joining.

BROTHERHOOD MEETING

The Baptist Brotherhood of Coffee County will be held at Basin Church on March 20. The following is the program: Theme: Brotherhood. Scriptures: 1 Peter 2:17. Slogan: A Million Men For Christ.

4 p.m.—Devotional, by Rev. W. G. DeShazer.

4:20—Mobilizing Our Men, by Rev. A. W. Barker.

4:40—A Local Brotherhood For Every Church—Our Objective, by Brother J. A. Hays.

5:00—Brotherhood Promotes Evangelism, by Rev. Earl Trent.

5:30—Lunch and Fellowship Hour.

6:30—How the Brotherhood Helps the Pastor, by Brother A. V. Martin.

7:00—Missions, by Rev. A. Fucell.

7:30—What Our Brotherhood Can Do in Evangelism This Year, Round Table Discussion, led by Brother W. T. Whitman, Moderator.

8:00—Election of Officers and Other Business and Adjourn.

A ride through the Pea River Forest concluded the trip.

Friday afternoon the Florence visitors attended a regular monthly meeting of the county council of coordinated workers at the high school in Neshoba.

and were told in a speech by Mr. McArthur that "the folks are the main interest" of all workers in this county.

A long period of deterioration in the values and consequent loss in living conditions had seriously affected health, so undermining the entire structure of well being for this rural population.

Five years ago the agencies striving to ameliorate conditions conceived the idea of the monthly council table, where urgent needs and the most serious problems "to do something about them."

In order that there be no overlapping of effort and confusion, the entire structure of well being for this rural population.

During Friday's council meeting, Olen D. Roberson, county chairman, launched the drive for the clinic for crippled children, giving the history of successful past results.

Miss Eunora Farris, county supervisor of elementary schools, gave plans for observation of health week in the schools and homes of the county March 17-23.

A. C. Dunaway, county president and county superintendent of education, W. L. Walsh, vocational teacher, H. D. Sexton, farm agent, Dr. G. L. Weidner, county health officer, contributed to the discussion.

Friday night the party had supper in the vocational department of the Coffee County High School. Enterprise, and later gathered in the school building for the discussion.

Saturday, shortly after noon, they departed for Panama City, Fla., to complete the week-end on the shores of the Gulf of Mexico.

—Mrs. L. C. Hutchison.

Mr. and Mrs. Donald Hammond and children, Cornelia, George and Martha, of Dothan, and Mr. and Mrs. Edd Morgan and son, Thad, of Enterprise were guests of Mrs. Corrie Bryant and Mr. and Mrs. Price Ringo Sunday.

Florence Students And Teachers Visit FSA Homes

Dr. Morris Mitchell, head of the department of sociology at State Teachers College, Florence, and a group of 30 teachers and prospective teachers from that institution, toured Coffee County Saturday morning to observe what was being done for the welfare of the people living on FSA farms. The group was conducted by W. L. McArthur, county project manager, and members of his unit.

In order that a cross section of the work in revealing aspects might be studied, a half dozen localities were visited. These included two farms, that of Jim Tomberlin in Keyton community, where the accomplishments of a progressive farm couple through a period of four years was noted. These included terraced fields, live stock, poultry, canned foods, a well equipped home with modern conveniences and the book of daily records for both home and farm.

A second farm family from the very low income bracket which is entering its third year on a report was made of their bettered condition in health, housing and income. This was the home of Mr. and Mrs. Drafois Ezelle and their small children.

A pause was made at the club house in Baltens community. Formerly an abandoned farm house, this place had been converted by residents of the community into a place in which they might gather for work or recreation.

The submarginal lands in the northern area where a 15,000-acre reforestation project has begun, was included in the itinerary. A half million seedling plants have been planted there since January 27 and the million will be completed within the month of March.

Tracts of seedling pines set in 1937 were viewed and the fire towers and fire fighting equipment were observed.

A chair factory in the northern area was inspected. Though a private enterprise, the factory is operated by residents and provides part time work in a number of nearby homes, where the split bottoms are woven by hand.

A ride through the Pea River Forest concluded the trip.

MORE EFFORT IS NEEDED TO PREVENT LOSS OF HEALTH

One out of every four Alabama men examined have been found to be suffering from defects which make them unsuited for military service. Some of these defects are not a major handicap in civilian life, but all are an indication of loss of efficiency.

As a means of national defense, both for better soldiers and better home life, more effort is needed to prevent unnecessary loss of health for both men and women. The start must be made at the beginning of life.

Bad and missing teeth greatly outnumbered all other physical defects found among the 5,520 Alabamians recently examined for possible military service under the Selective Service Act, according to a tabulation by Dr. B. F. Austin, State Medical Officer for the Selective Service System.

The examining physicians discovered a total of 3,770 physical defects, but this total included many that were not sufficiently serious to disqualify for military service. Dr. Austin pointed out that those disqualified for any form of military service numbered 863 while an additional 572 were found to be disqualified for any but limited service.

Those found to have defective and missing teeth totaled 1,388. Pyorrhea ranked in second place on the basis of the number of prospective service men affected, 292 cases of this disease having been discovered. High blood pressure was found in 193 persons, defective vision in 155, syphilis in 135, hernia in 123, and mental deficiencies in 111. Less than 100 persons were found to be suffering from any of the other defects.

"Theme for health week is 'Better Health for the Whole Family,'" said a representative of the county health unit, who is in charge of the health program in the county, and the five main things to do are:

1. Complete family records for all school and non-school children.

2. Plan classroom health instruction for specific needs listed above.

3. Have public meetings for people of the community with a health program in the school.

4. School program—plays, songs, speeches and exhibits.

5. Speaker (to be furnished by the County Council).

Complete family records for all school and non-school children.

Plan classroom health instruction for specific needs listed above.

Have public meetings for people of the community with a health program in the school.

School program—plays, songs, speeches and exhibits.

Speaker (to be furnished by the County Council).

Complete family records for all school and non-school children.

Plan classroom health instruction for specific needs listed above.

Have public meetings for people of the community with a health program in the school.

School program—plays, songs, speeches and exhibits.

Speaker (to be furnished by the County Council).

Complete family records for all school and non-school children.

Plan classroom health instruction for specific needs listed above.

Have public meetings for people of the community with a health program in the school.

School program—plays, songs, speeches and exhibits.

Speaker (to be furnished by the County Council).

Complete family records for all school and non-school children.

Plan classroom health instruction for specific needs listed above.

Have public meetings for people of the community with a health program in the school.

School program—plays, songs, speeches and exhibits.

Speaker (to be furnished by the County Council).

Complete family records for all school and non-school children.

Plan classroom health instruction for specific needs listed above.

Have public meetings for people of the community with a health program in the school.

School program—plays, songs, speeches and exhibits.

Speaker (to be furnished by the County Council).

Plans For Health Week, Crippled Children Made

The County Council held a special meeting on March 7th at the New Brockton High School. Guests included Dr. Morris Mitchell, head of the Department of Sociology, Florence State Teachers College; Dr. Cunningham, Professor of Geography, and Dr. Jasper of the Department of Health Education.

The program consisted of discussion of plans for the Crippled Children's membership drive and plans for Coffee County Health Week in the schools. Mr. Olen D. Roberson, chairman of the Coffee County Crippled Children's organization, presented plans for the 1941 campaign for memberships.

More memberships and gifts are needed this year because a large number of cases have been found through the cooperation of various agencies and the Coffee County Crippled Children's membership drive and plans for Coffee County Health Week in the schools.

Mr. Olen D. Roberson, chairman of the Coffee County Crippled Children's organization, presented plans for the 1941 campaign for memberships.

NEGR0 FOUND GUILTY OF NEW BROCKTON MURDER

ENTERPRISE, March 6.—After deliberating 45 minutes, a jury in Circuit Court today found Jud Phelps Herring, negro, guilty of a charge of murder in the recent slaying of Mrs. Euna C. Peacock, of New Brockton, and fixed the sentence at death. Judge C. C. Brannen set April 11 as the date for the execution of Herring.

Evidence was offered to show that Mrs. Peacock was slain in woods near her home October 5, 1940, and her body left floating in a pond. She had been gathering brush for brooms, it was said.

Herring entered a plea of not guilty, but did not take the stand. Defense attorneys J. W. Hicks and Harry Adams gave notice of an appeal.

ROSS CLARK QUITS SEED LOAN; NEW MAN ON JOB

Mr. Hugh A. Craig of Memphis, Tenn., is the new acting field supervisor for the Emergency Crop and Feed Loan section of the PCA with headquarters in Elba, succeeding J. Ross Clark, who resigned last week. Mr. Craig will have charge of activities in the counties of Coffee, Crenshaw, Butler and Pike.

Mr. Clark, who has been with Farm Credit Administration for the past six years, resigned his post to take the position of Agency Supervisor with the Emergency Aid Life Association. Mr. Clark's new duties will carry him to all parts of the State.

FOR SALE—Outboard Motor, five-horse power; almost new; can be bought at a bargain. J. V. WRIGHT, at Dorsey Bros., Elba.

Miss Nettie Flournoy of Andalusia was the guest of her sister, Mrs. W. H. Coston, and other relatives Sunday.

Judge I. N. Heath, who has been visiting relatives in Gadsden for the past three months, spent several days in Elba this week before going to Mobile to visit for some time.

Will Visit Stock Auction Tuesday; Farmers Invited

The Elba Chamber of Commerce at its meeting Tuesday evening at Brunson Hotel decided definitely to make another trip to Marianna, Fla., to visit the livestock auction which is held every Tuesday.

Next Tuesday is the time set for the second trip and all farmers in this section who are interested in a better market for livestock are cordially invited to accompany members on this trip. The Chamber of Commerce will arrange transportation for all those who wish to go and do not have cars.

It will be a day well spent for any group to visit this market to the Florida City and see just how the auction is conducted, and it is hoped that farmers in every section of this territory will be able to make the trip. Five can go in one car and by dividing the expense will be very small.

However, the Chamber of Commerce is very anxious to have a large delegation and a number of

DISTRICT F. F. A. MEETING
HELD IN NEW BROCKTON

The four chapters of the Future Farmers of America in Calhoun met at New Brockton Monday night, March 10th, for their regular monthly meeting. The meeting was called to order by the president, Robert Stephens, and all chapters reported in good standing.

The first thing on program was a talk on "Short Term Credit for Farmers," given by William Edwards of Enterprise. William's talk was very interesting to the boys, as he brought out some very true points on the condition of the farming situation in the South today. It is the hope of F. F. A. members in the county that William will be able to go to the State public speaking contest this year.

The clubs were very fortunate in having with them the State F. F. A. reporter, Page Kelly, of Hartford. Mr. Kelly is a high school student at Hartford, taking advanced agriculture and living on a farm. In fact, his father is a tenant farmer. Page talked to the boys about some of the things that could be done to help the tenant farmer help himself. He showed them some of the things the

F. S. A. is trying to do to help the farmer of today get back on his feet and not be a burden to the country in which he lives.

The one thing that every FFA has in mind is what Page was talking about, and that is to help others help themselves. With this in mind the one thought that was left in the minds of the boys was for them to try not to increase the number of tenants by becoming one themselves, but to try to do what they can to help the farmer who has dropped by the wayside so that in some way he may be able to get back on his feet and be of better service to his country.

REPORTER.

Approximately 1,500,000 persons have visited the Dioneo quinquennial. Visitors are only admitted during the summer, when the quinquennial is in their playground.

Before blowing over a large tree on the Hamilton ranch, at Mecca, California, in 1908, a windstorm moved a truck that would have been crushed by the tree's fall.

Uncle Natchel says:

WE BUYS DE NATCHEL KIND, CAUSE NATCHEL THINGS IS BEST

Right you are, Uncle Natchel—Chilean Nitrate of Soda is "natchel" and it's plain to rely on natural things.

Natural Chilean Nitrate is good for every crop you grow. Its quick-acting nitrate, plus the many "natchel" elements which it contains, help to insure better quality and larger yield.

Use it in mixed fertilizer before planting, and as top dressing or side-dressing. And use it regularly—that is the way to get full benefit of its fertilizing and soil-improving qualities.

Be sure you get

NATURAL CHILEAN NITRATE OF SODA

ON YOUR RADIO: ENJOY UNCLE NATCHEL'S PROGRAM EVERY SUNDAY

LOOK AHEAD ALABAMA—PAVE WITH CONCRETE

DOLLARS WASTED ON UPKEEP

CAN'T BUY NEW ROADS

Interior roads seem cheap and easy to build. They stretch a paving fund so that it covers a lot of territory. But after a year or two, the trouble begins! Maintenance costs go up and up. That's why it's wise—and economical—to build concrete roads. Concrete lasts! It requires almost no upkeep. Concrete's smooth, non-skid surface is safe and satisfactory. It reduces accidents. It saves in gas, tires and repairs.

Dependable Electric Service

Makes Flight by Night SAFE

YOU hear the drone of a motor. You peer into the night sky, and if you look sharply, your eyes will find a tiny moving star. The star is one of the wing lights of an airplane, with its cargo of passengers and mail. As you look, a long flash of light stabs the night, and circles swiftly. It is the beam of an aviation beacon, many of which are placed along established airways and contribute to safe flight by night.

These high-powered beacons get their electricity from the same dependable electric power system serving your home, store or factory; the same system which, because of planning ahead, is able to meet the demands of National Defense as they arise.

ZOAR NEWS

Our Sunday School is coming along fine, improving every Sunday. Come on, everybody, and be with us. A large crowd attended services Sunday morning and Sunday night, and there will be preaching here Sunday and Sunday night, March 23. Everybody come to the church and be with us. We will have picture taking at Sunday School March 16th. Would be glad for everybody to come and be in the group.

Mr. and Mrs. Lawrence Eggers and Miss Mae Dossie Simmons visited Mr. and Mrs. Dan Lys.

The meeting was called to order by the vice-president, Mrs. L. M. Bonner. The roll was checked by the secretary, Mrs. Merle Purvis, then Miss Old took charge of the meeting, presenting a lesson on spreading of diseases and care of the sick, also making of beds.

Mr. and Mrs. Clinton Boutwell visited Mr. and Mrs. L. Cawley Sunday night.

DAMASCUS CLUB MEETS

The Damascus Club held their regular meeting, March 10, in the home of Mrs. Dan Lys.

The meeting was called to order by the vice-president, Mrs. L. M. Bonner. The roll was checked by the secretary, Mrs. Merle Purvis, then Miss Old took charge of the meeting, presenting a lesson on spreading of diseases and care of the sick, also making of beds.

Mr. and Mrs. Clinton Boutwell visited Mr. and Mrs. L. Cawley Sunday night.

Others present were Rev. and Mrs. Joel Robert Holm of Jay, Fla., Mr. and Mrs. Curtis Chapman and daughter, Wynell, of Jack, Mr. and Mrs. Louie Holm and sons, Earl, Ray and John Wayne, of Chestnut Grove. All the games were played and songs were sung by the entire group. The meeting adjourned, meeting with Mrs. Witt Tucker, March 24. Mrs. Charlie Lockair, Reporter.
